SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Hon. Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

The Examiner is respectfully requested to consider the additional references, copies enclosed, which may qualify as prior art. For the Examiner's convenience, the references are listed on the attached Patent and Trademark Office form PTO-1449.

Applicant would also like to draw the Examiner's attention to commonly-owned pending U.S. applications 09/438,365 filed November 12, 1999, 10/629,522 filed July 28, 2003, 09/326,106 filed June 4, 1999, and 10/865,538 filed June 9, 2004, which are not listed on the PTO-1449 form. Pursuant to the Waiver of Copy Requirement in 37 C.F.R. 1.98 for Cited Pending U.S. Patent Applications signed on September 21, 2004, and published on www.uspto.gov on September 24, 2004, copies of pending U.S. applications that are available in the Image File Wrapper system are not submitted but will be provided on request.

All of the above commonly-owned pending U.S. applications are available in the Image File Wrapper System.

References known to the applicants have been listed on PTO-1449. That information is cited in a spirit of forthrightness and cooperation to enable the applicants to obtain that measure of protection for the invention to which there is entitlement. However, no representation is made that the listed art actually qualifies as prior art under the patent statute and the mere use of PTO-1449 is not an admission that all listed references are prior art. No representation is made that applicants know of the best art.

It is believed that a fee of \$180 is due with the submission of these references and a check in that amount is enclosed. If the amount submitted is incorrect, please charge any deficiency or credit any overpayment to Deposit Account No. 07-1969.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Michael J. Curtis", written over a horizontal line.
